A few things are new this season:

1. All schedules are posted at our SportsOffice website. Go to <http://ftll.sportsoffice.com>, choose "Softball" under programs, and everything you need is one click away.
2. Register separately for 2018 Regular Season and Pre-Season Clinics Series at <http://ftll.sportsoffice.com>. The Pre-Season Clinics are for players expecting to tryout for Majors in 2018 and who played for a Majors team in 2016 or 2017. They're also a good opportunity for new and younger players to discover more about the league and see what it takes to play Majors softball. Clinics run in the evenings from March 26 to April 3, at CRES gym. Tryouts will take place at the CRES gym on Thursday, April 5, 2018 from 5:15 to 6:45 p.m. Contact Majors Softball Coordinator Kyle Peterson at kpeterson@callntt.com for more information
3. "Softball League Age" is determined based on your player's age as of January 1, 2018. If your player was born on December 31, 2009, she is Softball Age 9 for 2018. If your player was born on January 2, 2010, she is Softball Age 8 for 2018. Parents who have questions about tryouts or the league can email Softball Coordinators Kyle Peterson (kpeterson@callntt.com) or Kristi Brady (kbg71214@gmail.com).
4. Parents who want to learn more about Coaching or other volunteer opportunities are encouraged to reach out to FTLL president Rick Thackeray at rthackerayjr@gmail.com with any questions.
